

**Sunday 31st December**  
**New Years Eve Party**  
**ft. The Cobbles**

We started Propaganda Music Canteen back in 2005 and many of you from the beginning have decided to grow ungracefully old with us. To you and others who have joined us on the way we thank you for what has been a remarkable journey. Like you, we have laughed and cried or had one too many on that night out that was never really meant to be. Thank you for the abuse we get on the front door, the mess at the end of the night and for those early morning phone calls trying to trace keys, lost mobile phones or the odd stiletto shoe!. Most importantly we thank you for being you and making Propaganda Music Canteen what it is today, allowing us to stick two fingers up to all the doubters because we're still here, better than ever and we ain't going away!

Tonight marks the end of another truly remarkable year and the start of another. So its out with the old and in with the new. Join us for the most memorable night of the year and immerse yourself in an amplified atmosphere with refined style and our usual quirky twist.

We've got, live music from The Cobbles, an explosive party band bringing the best disco, pop, funk, rock and soul hits from far back to the present day mixed in with our resident DJ.

With a glass of bubbly on arrival, ticket prices start from £10 for general admission, £15 for VIP guaranteed seating or £25 for our burger & lobster dining, the ultimate decadant street food. Enjoy half a lobster, homemade burger in a squishy brioche bun with fries and salad garnish.

It's going to be a night to remember!

**Thank You**
